

TRANSITION REQUIREMENTS TO SANS 10330:2020

SAATCA CERTIFICATED AUDITORS

This document describes the transition requirements to ensure that SAATCA certified Auditors are competent on the SANS 10330:2020 standard version.

Compulsory transition requirements for SAATCA Certificated HACCP Auditors

SAATCA Auditors certificated to HACCP will be required to:

- Successfully complete Auditor transition training on the FDIS or published SANS 10330:2020 standard in order to be certificated as competent to conduct audits against the SANS 10330 standard version
- Successfully complete Auditor transition training on the FDIS or published SANS 10330:2020 standard, on or before **28 February 2022**.
- Conduct a minimum of two (2) audits against the published SANS 10330:2020 standard to be certificated as competent to conduct audits against the 2020 standard version.
- For certification purposes, SAATCA will only accept audits performed after successful completion of the Auditor transition training. Such audits must be done against the published SANS 10330:2020 standard.

SANS 10330:2020 Auditor Transition Training Requirements

SAATCA Auditors certificated to any of the HACCP grades will be required to attend SANS 10330:2020 Auditor transition training which complies with the following SAATCA requirements:

- The SANS 10330:2020 Auditor transition training must comprise of a one-day transition training course.

A certificate of successful completion of a one day SANS 10330:2020 Auditor transition training will be accepted only if the certificate meets the following requirements:

- The certification states that the training is for the SANS 10330:2020 Auditor transition training and is based on either the FDIS or the published standard.
- The training is for a duration of one day.

Validity of Certifications to SANS 10330:2020

Your current SANS 10330:2007 certifications will not be valid after two years from publication of SANS 10330:2020. The expiry date of Auditor certifications to SANS 10330:2007 issued during the transition period will automatically become invalid at the end of the two year transition period for SANS 10330:2020.

SAATCA Registered Auditor Transition Timeframes for SANS 10330:2020

Two years after publication of SANS 10330:2020, all existing certifications issued to SANS 10330:2007 shall be deemed invalid.
