1. INTRODUCTION

1.1. Purpose

This document describes the Environmental Management System (EMS) Scheme criteria for SAATCA auditor certification, based on ISO 14001:2015.

These criteria are intended to be used by:

- 1. Potential applicants to determine their suitability / readiness for making application for initial certification and for maintenance thereof and for ensuring they submit all necessary evidence and
- 2. The SAATCA Evaluation Committee to evaluate such applications

General note: The term "scheme" is equivalent to "discipline" as referenced in ISO 19011:2018.

1.2. Definitions and Abbreviations

For the purpose of these criteria, the terms and definitions in ISO 9000, ISO 19011:2018, ISO/IEC 17000, ISO/IEC 17021-1:2015 and ISO/IEC 17024:2012 apply.

List of acronyms

EMS: Environmental Management System

Note: Unless otherwise specified, the standards referenced in this document are deemed to be the current editions. Any standard or legislative references relate to the current published version. For

dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

1.4. Equivalent Standards

Whilst the SAATCA registration schemes are based on the primary international or national standard, where these exist, it recognises that there are other standards that may be equivalent for the purposes of SAATCA management system auditor registration.

Where there are such equivalent standards, the Environmental and Energy Management System Scheme Committee develop and publish the list of equivalent standards which can be used as the basis of competence for each scheme. These equivalence lists are approved by the Technical Management Board as part of these criteria as follows:

List of Equivalent Standards for ISO/IEC 17021-1:2015

There are currently no equivalent standards for ISO/IEC 17021-1:2015 as applicable to EMS auditor registration.

List of Equivalent Standards for ISO 14001:2015

There are currently no equivalent standards for EMS auditor registration.

Should this become applicable in the future these Scheme Specific Criteria will be updated.

If a standard has not been approved as equivalent, the onus is on the applicant to provide sufficient evidence to justify its acceptance by the Scheme Committee and approval by the Technical Management Board.

1.5. "Start Up" Concession for New Schemes

When this was a new SAATCA scheme being launched, where there were not yet any qualifying Lead Auditors for witnessing or evaluation purposes, the Scheme Committees had the option to grant applicable "Start Up" based registrations.

Note: the Start Up clause is the expression used when a scheme has to start / be initiated, to enable the scheme to get off the ground. It is based on accepting the existing competence and experience of practitioners already in the relevant field, who are not yet able to fulfil those requirements that rely on the existence of Lead Auditors in the new scheme, because there are no such Lead Auditors as yet.

Concessionary approval may be granted by SAATCA with the proviso that a suitable portfolio of evidence is maintained to demonstrate conformance with these Scheme Specific "Start Up" criteria.

"Start Up" auditors shall comply with all the criteria except where deviations have been noted.

1.6. SAATCA EMS Scheme Sectors

- General environment, current EMS auditor registrations and those applicable for low and limited risk categories as categorised in Annex 1: Extract from IAF MD5: 2009 Complexity categories of environmental aspects
- Water management
- Air management
- Land management
- Energy management
- Waste management

1.7. SAATCA Auditor Grades

1.7.1. Provisional Auditor (Also referred to as "in-training" in certain industry sectors)

This grade is the entry or training grade. It recognizes an applicant to have the appropriate personal behaviours, educational, professional and technical competence but does not yet meet the criteria for auditing experience and demonstration of audit competence of the other grades. This grade is qualifications based, without competence evaluation.

This is not SANAS accredited grade of management system auditor.

Provisional Auditors will be given a yearly certificate that is renewable every year, stating the applicant's applicable scheme of registration and registration number, a yearly certificate will be issued formally but there will be no registration card issued.

This grade is a transition grade with the intention that, over time, Provisional Auditors progress to auditors once they meet the requirements.

No Provisional Auditor registered in terms of this grade may suggest or imply certification status as a management system auditor.

1.7.2. Auditor Grade

This grade recognizes the applicant as a competent Auditor, contributing as an effective member of an audit team. This grade applies typically to auditors who take part in audits as members of a team rather than audit team leaders.

Auditors shall be issued with Certificates and Auditor registration cards.

1.7.3. Lead Auditor Grade

The Lead Auditor grade is reserved for auditors who conform to the requirements of Auditor grade and who are competent and experienced at managing audits and leading audit teams. This grade applies typically to auditors who lead audits of more than one auditor.

Lead Auditors shall be issued with Certificates and Lead Auditor registration cards.

1.7.4. Internal Auditor Grade

This grade applies to applicants that conduct audits within and for or on behalf of organisations by whom they are employed, and may include supplier audits, provided they cover the full scope of the relevant management system.

It is not intended to imply that an Internal Auditor is less qualified than an Auditor, only that the application of the auditing practice is limited to one organisation. The same level of qualification and work experience is required as that of the Auditor grade.

Internal Auditor certification shall be granted in respect of the specific organisation for which internal audits are conducted.

Internal Auditors shall be issued with Certificates and Internal Auditor registration cards on which reference will be made to the organization where the internal audits are carried out and for which the Internal Auditor has been certified.

If a SAATCA certified Internal Auditor leaves the employment of the organisation for which internal auditor certification is held, his or her certification as a SAATCA certified internal auditor for that organisation is no longer valid. Should the auditor resume internal auditing at a different organisation, they would qualify to transfer their internal auditor certification, by making application relative to the new organisation. Alternatively, they could apply for full Auditor grade as they potentially satisfy the requirement for auditing multiple management systems.

Internal auditor is not recognised nor currently a SANAS accredited grade of management system auditors.

1.8. Advancement to another Grade

Advancement to another certification grade can be attained at any time provided suitable competence and experience for that grade is gained.

Certificated auditors of any grade, who can demonstrate competence and are successfully evaluated against the applicable criteria required for another grade, shall qualify for advancement to such grade.

When applying for advancement from one grade to other applicants are required to complete the application form and submit the applicable evidence relevant to the new grade.

1.9. Suspension and Withdrawal of Certification - ARP 2.7

All suspensions and withdrawals of certification shall be managed in accordance with ARP 2.7

1.10. Complaints, Appeals and Disputes Process - QSP 1.4

All complaints, appeals and disputes shall be managed in accordance with QSP 1.4

1.11. Criteria for Auditor Transition in the Event of Substantial Changes to Criteria

In the event of any substantial changes to any of these auditor criteria eg a management system standard changing, etc the Scheme Committee shall develop and publish a process for transition and the transition period (if any). The transition requirements shall be clearly specified and approved by the Technical Management Board. These shall be published (for example as an annex to these criteria, a communique, etc and communicated to registered auditors and applicants.

Transition timelines for these criteria:

For transition details, refer to the Maintenance Section of the Criteria Table

1.12. Transfer of Certification - QSP 1.9

All transfers of auditor certification from other auditor certification bodies shall be processed in accordance with QSP 1.9

1.13. Use of the SAATCA Logo - SF 48

The use of the SAATCA logo shall be in accordance with: Regulations Governing the SAATCA Logo (SF48)

1.14. Notifiable Changes - SF 56

By signing the SAATCA Auditor's Code of Conduct, all auditors commit to notify SAATCA of any changes that can affect the auditor's state of conformance with SAATCA and compliance with regulatory or legal requirements. Refer to SF 56 regarding notifying SAATCA of any changes.

1.15. Publication of Details of SAATCA Registered Auditors

SAATCA shall publish details of registered auditors, (including grade and status, where applicable) on the website: <u>www.saatca.co.za</u>.

1.6 SUMMARY OF REQUIREMENTS FOR SAATCA AUDITOR REGISTRATION

| Requirements | Criteria | | Submissions | | |
|--|--|--|---|---|---|
| Additional Sector/scope | Refer to SAATCA criteria for specific schemes Eg FS – 4 audits plus either training or work experience in the | | cope | CV, certificates audit log | |
| Auditing (additional scheme/s) | Auditor : Minimum of 15 days, at least 4 separate audits of which one is a witnessed audit, and one with auditee feedback | Internal Auditor: Minimum of 4 days, at least 3 separate of which one is a witnessed audit, and one with auditee feedback | | Lead auditor: Minimum 15 days , specified by the specific scheme (automatically gain LA status if all other criteria are met) | Audit log (fully signed off) Witnessed Audit Report Auditee F eedback |
| Witnessing | Witnessing Lead Au | ditors shall be independ | lent of the applicant they | witness | Application form & Code of conduct |
| Sponsor | Sponsor has personal knowledge of the applicant and verified the | | 2 CV | Performance Report & code of conduct | |
| Auditing (first scheme of certification) | Auditor: Minimum of 20 days, at least 4 separate audits of which one is a witnessed audit and one with auditee feedback | | dits of which one is a | Lead auditor: Minimum of 10 days on site with 5 days of off site lead audit activities, at least 3 audits (after auditor audits) of which one is a witnessed audit and one with auditee feedback | Audit log (fully signed off) Witnessed Audit Report Auditee Feedback |
| Attributes/ Personal behaviours | Desirable attributes/changing (exhibited during the audit process and attes | | g to personal behavi sted by Sponsor and Wit | | Sponsor and Witnessing lead Auditor Report |
| | Lead auditor training (ISO 19011:2018 and ISO | | nd ISO 17021-1:2015base | d) 5 days–once off | Certified copies |
| Training | Management system standard training. ISO/EMS standa | | rd [3 days] – prior to lead | l auditor course | of training certificates |

2. INITIAL APPLICATION REQUIREMENTS

| REQUIREMENT | ADMISSIBLE EVIDENCE |
|---|---|
| 2.1. Application Documents and Codes of Conduct | |
| 2.1.1. Application forms | a) Completed Application form and Checklist |
| Applicants shall complete and submit the SAATCA application | (Included in the Application form, SF79:), |
| documentation, according to the Application Checklist section of | including CV details and sponsorship from at |
| the application form, including: application form (SF79), with the | least one individual (who has a business |
| completed Sponsor's section and personal declaration (SF 29), | relationship) attesting to the applicant's |
| and ensure that a signed Sponsor's Code of Conduct (SF 51) | fulfilment of the requirements. |
| accompanies the application. For specific sectors a completed | b) Certified copy of ID (Identity document). |
| Application Form for Sectors (SF149) clearly indicating the | c) Completed signed Auditor's Code of |
| sectors applying for, must accompany the application | Conduct (SF 29). |
| documentation | d) Completed signed Sponsor's Code of |
| As part of the application, applicants shall provide evidence of | Conduct (SF 51). |
| work experience, audit experience, education and training. | e) Completed Application Form for Sectors |
| <i>Sponsors</i> : These may be either the applicants line manager or | (SF149) |
| (in the case of self-employed applicants) or an individual with | f) Certified true copies of relevant academic |
| professional knowledge of the applicant and willing and able to | qualifications and/or professional |
| attest to their personal behaviours (see below). | registration in the sector of the application |
| | Self-employed applicants shall submit a |
| 2.1.2. Code of Conduct | portfolio of evidence that demonstrates the |
| In the event of verified breach of the SAATCA applicants / | attestations required. |
| witnessing lead Code of Conduct, auditors will be precluded from | |
| | |
| reapplying for 3 years. 2.2. Personal Behaviours | |
| | a) Completed eigned Changer Code of |
| Applicants shall be able to demonstrate the personal behaviours | a) Completed signed Sponsor Code of |
| necessary for the effective and efficient performance of an audit. | Conduct (SF 51). |
| Desirable personal behaviours for all auditors are: | b) Completed Creaseries declaration on |
| Ethical, Open-minded, Diplomatic, Observant, Perceptive, | b) Completed Sponsor's declaration on |
| Versatile, Tenacious, Decisive, Self-reliant, acting with | Application form for Certification. |
| fortitude, open to improvement, culturally sensitive, | (Also refer below under Witnessing). |
| collaborative, Professional, Morally courage, Organized. | |
| 2.3. Education | |
| Applicants must have attained an educational standard that | |
| permits the necessary knowledge to perform effectively as an auditor. This includes: | |
| Option One: With a tertiary education: | |
| Grade 12, N3 certificate or equivalent to NQF Level 4 | a) Option 1: Certified true copies of relevant |
| (secondary education) and Tertiary education (e.g. degree or | academic qualifications and/or professional |
| diploma). | registration in the sector of application |
| Option Two: In the absence of degree or diploma (tertiary | |
| education): | b) Option 2: Certified true copies of Matric or |
| Grade 12, N3 certificate or equivalent to NQF Level 4 plus 4 years' work experience in a relevant field. | equivalent to NQF Level 4 and copy of CV or |
| | equivalent evidence of the work experience. |
| | |
| | c) Any break in work experience shall not be |
| | longer than 10 years prior to application, and |
| | supported by evidence of continuing |
| | professional development is provided. |

| REQUIREMENT | ADMISSIBLE EVIDENCE |
|---|---|
| 2.4. Work Experience | |
| 2.4.1. General Work Experience | a) Verifiable evidence of work experience: |
| For the initial sector of application: | Record of employment, eg CV verified by a |
| Option 1: Where applicants have a degree/ diploma: | line manager, through signature of SF51, |
| For the first sector applicants for all grades shall have completed | attesting to technical, professional or |
| a minimum of four years of work experience in a role that is | managerial experience as well the |
| Environmental related in a technical, professional or managerial | applicant's involvement in the exercise of |
| position involving the exercise of judgement, problem solving and | judgement, problem solving and |
| communication with other managerial personnel, peers, | communication with other managerial |
| customers, interested and affected parties and/or authorities. | personnel, peers, customers, interested and |
| Option 2: Where applicants do not have a degree/ diploma: | affected parties and/or authorities. |
| Applicants for all grades shall have completed a minimum of 4 | |
| years of work experience as the education equivalent plus five | |
| years of work experience in a role that is Environmental related, | b) Copy of current and correct CV (current |
| in a technical, professional or managerial position involving the | date of employment shall reflect) |
| exercise of judgement, problem solving and communication with | -) Oirread ar an an Oada af Oardwet OEE4 |
| other managerial personnel, peers, customers, interested and | c) Signed sponsor Code of Conduct SF51 |
| affected parties and/or authorities. | (attestation). |
| At least 3 years of this relevant experience shall be gained within an environmental context or shall demonstrate a satisfactory level | |
| of work experience gained within an environmental context | |
| For additional sectors: | |
| For sector registration OR a new sector extension: | |
| A minimum of 6 months' work experience in that specific | |
| sector | |
| OR in the absence of 6 months' work experience | |
| Audit log of 4 qualifying audits in the sector applied for. (Audit hours must be attained after successful completion of required lead auditor training as specified. PLUS | |
| Sector training (formal/informal course), workshop, project, CPD etc, case work, consulting. | |

Acceptable experience would be where the applicant has acquired significant experience in at least one of the following:

- Full time role as manager, supervisor, engineer or technician involved in the technical aspects of facility operation in compliance with applicable regulations.
- Implementation and maintenance of a management system, or integrated management system applicable to the scope of application, involving management system conformity management.
- Monitoring compliance with applicable laws and regulation on behalf of a regulating body.
- Provision of appropriate consultancy services involving the management system applicable to the application.
- Full time role relating to the performance of the management system applicable to the application and management of audits of all types (not necessarily management system audits).
- Periods of training will <u>not</u> be considered as eligible toward meeting this criterion.

Note: For auditors applying for a second (and third etc) scheme discipline, - the work experience related to the second (and third, etc) discipline may be concurrent with the work experience in the first scheme/discipline but must be scheme specific.

| REQUIREMENT | ADMISSIBLE EVIDENCE |
|---|---|
| 2.4.2. Management System Work Experience | |
| The applicants shall have at least 2 years relevant Management | As for general work experience above |
| System eg implementation, operation, consulting and/or auditing | 5 |
| experience gained within the field for which certification is sought. | |
| This may be concurrent with the relevant general work | |
| experience. | |
| 2.5. Knowledge and Skills | |
| 2.5.1. All auditor grades – generic knowledge and skills | |
| All auditors shall possess the knowledge and skills necessary to | Various evidence as itemized in the sections |
| achieve the intended results of the audits undertaken. | following. |
| The following knowledge and skills are generic to all auditors and | 3 |
| grades: | |
| - Audit principles, procedures and methods | |
| - Management system and reference documents | |
| - Organizational context | |
| - Applicable legal and contractual requirements and other | |
| requirements that apply to the auditee. Refer to the next | |
| section for scheme specific detail. | |
| - Risk management principles, methods | |
| 2.5.2. All auditor grades – scheme and sector specific | |
| knowledge and skills | |
| Environmental related legal and contractual requirements | a) Knowledge of Environmental law is |
| and other Environmental requirements applicable to the | required, once in the registration cycle. |

3. MAINTAINING CERTIFICATION

| REQUIREMENT | ADMISSIBLE EVIDENCE |
|---|--|
| 3.1. Annual Surveillance, Card Re-issue and Fee for | |
| Maintenance | |
| 3.1.1. An annual registration application form is required, | |
| when personal details changed and require update. | Completed Application for Annual Re- |
| (The details from this form are captured onto the | registration (SF76) or information update |
| | form. |
| SAATCA database). | |
| 3.1.2. Annual submission of Audit Log (CPD logs and Auditee feedback may also be submitted annually but | a) Audit Log sheets (SF 26): Completed in full and confirmed SAATCA audit log sheets. |
| are mandatory for the 3 year certification). | Sign-off of fully completed audit log sheets as |
| are manualory for the 5 year certification). | confirmation by the applicant of the |
| Poter below for details of sudit and CDD requirements | |
| Refer below for details of audit and CPD requirements. | authenticity of the logs. b) Auditee feedback . (SF 72). |
| Note: Audit Logs and CPD Logs (where CPD had taken place) | CPD Log: refer CPD Log (SF27) |
| <i>Note:</i> Audit Logs and CPD Logs (where CPD had taken place) shall be submitted annually with registration fees, and recorded | SAATCA may also verify the information |
| | |
| by SAATCA certification as the annual surveillance. (These will | provided by the applicant. |
| be evaluated 3-yearly by the Certification Manager or Evaluation Committee.) | |
| · · · · · · · · · · · · · · · · · · · | |
| 3.1.3. An annual registration fee (subscription) is payable to SAATCA. | Payment of food on par the provelling |
| | Payment of fees as per the prevailing SAATCA fee structure - Personnel |
| The SAATCA Board of Directors determines registration fees on | |
| an annual basis, and these are published on the SAATCA web | Registration Fees (SF 63) |
| site. Auditors who fail to meet the annual fee requirements may | |
| be subject to suspension or withdrawal of registration, as per ARP | |
| 2.7 | |
| 3.2. 3 Yearly Application for Re-Certification | a) Completed Application form for Da |
| All certified auditors shall be required to renew certification. The period between certifications (and between initial and renewals) | a) Completed Application form for Recertification (SF18) |
| would normally be 3 years and shall not exceed 3.5 years. | Certification (SF16) |
| Applicants for re-certification shall complete and submit the | b) Completed signed Auditor's Code of |
| applicable application form and a signed Auditor's Code of | Conduct (SF 29) |
| Conduct. | |
| | c) Updated CV |
| 3.3. Maintenance of Auditing Ability | |
| Each applicant for re-certification shall maintain an audit log | Audit Log sheets: Completed in full and |
| (SAATCA prescribed format SF26) on which shall be recorded | confirmed SAATCA audit log sheets (SF 26). |
| the details of each audit undertaken. | Commed SAATCA addit log sheets (SF 20). |
| <i>Note</i> : Audit Logs shall be evaluated 3-yearly by the Certification | |
| Manager or Evaluation Committee. | |
| 3.3.1. Re-Certification audit experience for Auditor and | |
| Lead Auditor grade | a) Audit Log sheets: Completed and |
| At least two complete audits (minimum of 6 hours each) per year, | confirmed SAATCA audit log sheets (SF 26). |
| with a minimum of 6 audit days in total over the re-certification | |
| cycle. These audits shall be conducted in accordance with ISO | b) CPD log for additional Environmental |
| 19011:2018 and ISO/IEC 17021-1:2015, in the scheme relevant | sectors – refer below for CPD details. |
| to certification. | |
| Sector audits (where applicable) | |
| Where certification is held for more than one sector – each sector | |
| | |
| shall be audited at least once per three-year cycle or evidence of | |
| CPD in the sector shall be provided. Refer to the CPD section for | |
| details. | |

| 3.3.2. Re-Certification audit experience for Lead Auditor grade | a) Audit Log sheets: Completed and |
|---|--|
| At least one complete audit per year (of the 2 required above), | confirmed SAATCA audit log sheets (SF 26). |
| acting on the capacity of Lead Auditor, including sole audits. | b) Cartified cartificate carty of lagel |
| | b) Certified certificate copy of legal |
| 222 De Certification qualit experience for Internel Auditor | requirement. |
| 3.3.3. Re-Certification audit experience for Internal Auditor grade | a) Audit Lag chaota: Completed and |
| At least one complete audit (minimum of 6 hours each) per year, | a) Audit Log sheets: Completed and confirmed SAATCA audit log sheets (SF 26). |
| with a minimum of three audits over the re-certification cycle. | confinitined SAATCA addit log sheets (SF 20). |
| These audits shall be conducted in accordance with ISO | b) Certified certificate copy of legal |
| 19011:2018 and ISO/IEC 17021-1:2015, in the scheme relevant | requirement. |
| to certification. | |
| 3.3.4. Provisional Auditors | |
| No specific minimum requirement, but logs of completed audits | If there have been audits completed: |
| to be provided annually, with the aim of completing sufficient | Audit Log sheets: Completed and confirmed |
| audits over three years to enable upgrade to auditor. This grade | |
| may be maintained up to 3 years on satisfactory demonstration | SAATCA audit log sheets (SF 26). |
| of compliance with the other requirements specified for Internal | The guiding lead auditor must signed the last |
| Auditors. After 3 years, the status of Provisional Auditor will | column of SF26 as confirmation of the |
| be reviewed. | correctness of the audits. Furthermore a |
| be reviewed. | guiding lead auditor cannot sign the |
| | witnessing report and witnessing code of |
| | conduct. |
| | conduct. |
| | NB: A guiding lead auditor is different from a witnessing lead auditor. |
| | 3 |
| 3.3.5. Auditee Feedback | |
| For at least one of the EMS audits, over the 3-year cycle, auditee | (SF72) Completed positive Auditee Feedback |
| feedback shall be obtained and for Lead Auditors, this feedback | Report |
| shall be where the re-certifying lead auditor applicant acts as the | |
| leader of an audit team or as sole auditor. | |
| 3.4. Continual Professional Development (CPD) | Refer to SF 58: Guidelines for CPD |
| CPD Requirements | |
| It is mandatory that each SAATCA certified auditor undertake at | CPD Log: |
| least 45 hours of appropriate CPD during each 3-year period | CPD Log (SF27) completed in full and signed |
| immediately prior to renewal of certification. | off with evidence of professional development, |
| Evidence of that professional development, properly verified, | properly verified. |
| shall be submitted as part of the application for renewal of | |
| certification. | For guidance on the allowable CPD claims, |
| CPD may be undertaken in areas including: | - |
| | refer to the SAATCA CPD Guidelines - SF 58 |
| The fields listed under Education; and/or | refer to the SAATCA CPD Guidelines - SF 58 |
| The fields listed under Education; and/or EMS auditing practices or techniques; and/or | refer to the SAATCA CPD Guidelines - SF 58 |
| | refer to the SAATCA CPD Guidelines - SF 58 |
| EMS auditing practices or techniques; and/or | refer to the SAATCA CPD Guidelines - SF 58 |
| EMS auditing practices or techniques; and/or EMS management system related and/or | refer to the SAATCA CPD Guidelines - SF 58 |
| EMS auditing practices or techniques; and/or EMS management system related and/or Generic management tools or techniques, and/or | refer to the SAATCA CPD Guidelines - SF 58 |
| EMS auditing practices or techniques; and/or EMS management system related and/or Generic management tools or techniques, and/or Environmental risk assessment | refer to the SAATCA CPD Guidelines - SF 58 |

| auditors shall consider their personal strengths and weaknesses and identify areas for personal improvement. | |
|---|--|
| 3.5. Scheme Transition | |
| Attendance of 2 days consecutive training contact duration on ISO 14001:2015 | Certified copy of certificate of minimum 2 days transition for ISO 14001:2015 |
| Applicable audit logs to be provided to SAATCA within due date of the transition. | Completed and confirmed SAATCA audit log sheets (SF 26). |
| Attendance register for the audit that was conducted base on transition to be send to SAATCA. | Sign-off of fully completed audit log sheets as confirmation by the applicant of the |
| The transition is for 3 years. | authenticity of the logs |
| | Copy of attendance register for the opening and closing meeting. |

END OF CRITERIA

4. **REVISION HISTORY**

| Revision Date | Rev No. | Summary of changes |
|---------------|---------|---|
| Various | 1 and 2 | Prior to implementation of revision history table |
| June 2011 | 3 | Updated EMS criteria to merge with and align to the Generic Criteria, CRT6.0, including: Removed detail that is already covered on the <u>www.saatca.co.za</u> , for example Background, objectives, codes of conduct, certification process. Removed annex on CPD and referred to SF58. |
| | | |
| | | Updated Approval Table (font page) Added revision table |
| | | Clarified provisional auditor work experience and management system work experience |
| | | Clarified annual surveillance |
| | | Updated definitions and references (1.2 and 1.3) |
| | | Included details of previously applied "grandfather " requirements (1.5) |
| | | Added disputes and appeals (1.9) |
| | | Included details for transition (1.10) |
| | | Addition of "Publication of Details of SAATCA Registered Auditors" (1.14) |
| | | Clarified requirements for "equivalent to tertiary qualification (2.3) |
| | | Clarified the "equivalent" component for tertiary education and work experience, including requirements if there is a break in working (2.3 and 2.4) |
| | | Added details of portfolio of evidence and option for SAATCA to verify evidence by means of an examination, or interview or otherwise to interview. (2.5.1). |
| | | Clarified auditor training - contact hours, at least 70% pass mark and applicant to supply certificate of training (2.6) |
| | | Clarified six hours of audit activity on site (typically part of an 8 hour audit day, as per IAF audit day allocations) and unacceptability of audits as part of training programme (2.7) |
| | | Relevant experience auditing of other schemes for which the applicant holds registration may be considered for up to 5 days of the auditing experience required. (2.7.1) |
| | | Correction of lead audit experience being gained in 3 years prior to application (not 2) and Applicants qualified as Lead Auditor in any one scheme shall automatically qualify for Lead Auditor in all schemes where they meet the auditor's requirements. (2.7.2) |
| | | Added upgrade from provisional auditor grade, and included requirement for any CPD due at the time of upgrade (2.7.3) |
| | | Clarification of internal auditor's audit experience (2.7.4). |
| | | Clarified witnessing requirements (2.8.1 and 2.8.2) |
| | | Added conditions pertaining to breach of code of contact (2.8.3) |
| | | Added use of Application Checklist and of Auditee Feedback form - Auditee feedback to be provided - least one of the audits, per scheme of certification (3.3) |
| | | Removed reference to Annex 4 and replaced with reference to SF58 (3.4) |
| July 2011 | 4 | Spelling error rectified. 1.5 Grandfather clause - auditions changed to auditors |

| Revision Date | Rev No. | Summary of changes |
|---------------|---------|---|
| October 2011 | 5 | Item 2.1 Added requirement for certified copy of ID to be provided with application. Item 2.3. Added reference for clarity: (and if not, refer to para below). Item 2.7.1. And 2.7.2. Clarified wording related to hours under guidance of lead auditor. The requirement for 20 days of guidance has always been applied, but the wording was misleading. |

| Revision Date | Rev No. | Summary of changes |
|---------------|---------|--|
| January 2013 | 6 | Clarifications: |
| | | Introduction: Added reference to MS standard and to use of criteria for maintenance of auditor registration. |
| | | 2. Definitions - additional definitions were removed as those from the reference standards are applied |
| | | 3. Equivalent standards : Moved the ISO/IEC equivalent standards from the body of the criteria to the List of Equivalent Standards. |
| | | 4. Start up auditor clause - Slightly different wording which better reflects the past practice with regard to start up auditors |
| | | 5. Sponsorship – clarified that all new auditors require one sponsor. |
| | | 6. Transition : Created a separate section in maintenance table for changes to criteria and transition and evidence required (previously on cover page). |
| | | 7. Sector registrations : Made provision for inclusion of sector specific for use by those schemes that have sectors, eg Food and Environmental. |
| | | 8. Auditor/lead auditor training ; replaced 40 hours with 5 days to align to updated TCP criteria which describe the hours. |
| | | 9. General : Re-arranged some paragraphs and sections and clarified wording, eg related to general work experience sand wording on maintenance. |
| | | 10. Witnessing |
| | | Clarified as per code of conduct Witnessing Lead Auditor |
| | | 11. 1.16 Summary of requirements added |
| | | <u>Technical changes</u>: Changes to align to ISO 19011/17021, including updated ISO 19011 title, updated personal attributes |
| | | to personal behaviours as per ISO 19011:2011 and ISO/IEC 17021:2011, aligned knowledge and skills for auditors and lead as to ISO 19011, clarified conformance and compliance, etc. |
| | | 2. Start-Up Concession: added detail of the evaluation panel composition for stat up concessions. |
| | | Management System training - clarified the pre-requisite training on the applicable management system standard prior to the 5-day Lead Auditor Course, which was always in the TCP criteria, with duration of a minimum of 2 days. |
| | | 4. Auditing Experience for new applicants – defined the ratio of applicant auditors to Lead Auditors as 4:1 for qualifying audits. |
| | | CPD: Added a CPD requirement of at least 8 hours per CPD cycle of CPD related to updating legal knowledge. |
| | | Added sectors for EMS auditor certification Addition of sectors and associated criteria (General environment, for low risk based on IAF MD 5 which covers all existing SAATCA EMS auditors; Water; Air; Waste; Land management; Energy |
| | | 7. Added separate application form for sectors |
| | | 8. Added biochemical, biotechnological and energy to relevant educational fields |
| | | 9. Added Annex 1: Extract from IAF MD5: 2009 Complexity categories of environmental aspects |
| | | 10. Aligned Environmental Specific Technical Training/Knowledge and Skills to ISO 19011:2011 and ISO/IEC TS 17021-2 |

| Revision Date | Rev No. | Summary of changes |
|---------------|---------|---|
| 2018-02-12 | 7 | 1.3 Reference Deleted : International Personnel Certification Association (IPC) Specification for the |
| | | Development of Certification Schemes for the Certification of QMS and QMS Auditors (BD-05-007) |
| | | 1.7.1 Deleted : an IPC recognised or |
| | | 1.7.4 Deleted an IPC |
| | | 1.16 Criteria diagram Training deleted 2 days and add: 3 days for Management system training |
| | | 1.16 Added: internal auditor training 3 days & understanding and implementation 5 days. |
| | | 2.6.1 Deleted: an IPC equivalent and IPC recognised |
| | | 2.6.2 deleted 2 days and add 3 days |
| | | 2.8.1 Deleted or IPC equivalent |
| | | 2.9 Added Training of Internal Auditor |
| | | 2.9.1 Internal Auditor Training |
| | | Internal auditor course based on ISO 19011, of at least 3 days training, to auditing principles |
| | | 2.9.2 Management System Training (Understanding & Implementation) 5 days training based on ISO 9001 |
| 2019-02 | 8 | Deleted second line paragraph of 1.4 |
| | | Deleted matric to grade 12 |
| | | Deleted relevant field on par 2.3 Deleted admissible evidence that state Or, if more than 3 years paragraph deleted. |
| | | Change ISO 19011:2012 to ISO 19011:2018 |

Annex 1: Extract from IAF MD5: 2009 Complexity categories of environmental aspects

TABLE EMS 2 - Examples of linkage between business sectors and complexity categories of environmental aspects

Note: Users of this table should recognise that not all organizations in a specific sector will always fall in the same complexity category. The user should allow flexibility in its contract review procedure to ensure that the specific activities of the organization are considered in determining the complexity category. For example, even though many businesses in the chemical sector should be classified as "high complexity", an organization which would have only a mixing free from chemical reaction or emission and/or trading operation could be classified as "medium" or even "low complexity".

| Complexity category | Business sector |
|--------------------------|---|
| High | mining and quarrying |
| Overview: Environmental | oil and gas extraction |
| aspects with significant | tanning of textiles and clothing |
| nature and gravity | pulping part of paper manufacturing including paper recycling processing |
| (typically manufacturing | oil refining |
| or processing type | chemicals and pharmaceuticals |
| organizations with | primary productions - metals |
| significant impacts in | non-metallics processing and products covering ceramics and cement. |
| several of the | coal based electricity generation |
| environmental aspects) | civil construction and demolition |
| | hazardous and non-hazardous waste processing e.g. Incineration etc. |
| | effluent and sewerage processing |
| Medium | fishing/farming/forestry |
| Overview: Environmental | textiles and clothing except for tanning |
| aspects with medium | manufacturing of boards, treatment/impregnation of wood and wooden |
| nature and gravity | products |
| (typically manufacturing | paper production and printing excluding pulping |
| organizations with | non-metallics processing and products covering glass, clay, lime etc. |
| significant impacts in | surface and other chemically based treatment for metal fabricated products |
| some of the | excludes primary production |
| environmental aspects) | surface and other chemically based treatment for general mechanical engineering |
| | production of bare printed circuit boards for electronics industry |
| | manufacturing of transport equipment - road, rail, air, ships |
| | non coal based electricity generation and distribution |
| | gas production, storage and distribution (note extraction is graded high) |
| | water abstraction, purification and distribution including river management |
| | (note commercial effluent treatment is graded as high) |
| | fossil fuel whole sale and retail |
| | food and tobacco - processing |
| | transport and distribution - by sea, air, land |
| | commercial estate agency, estate management, industrial cleaning, hygiene |
| | cleaning, dry cleaning normally part of general business services |
| | recycling, composting, landfill (of non hazardous waste) |
| | technical testing and laboratories |
| | healthcare/hospitals/veterinary |
| | leisure services and personal services excludes hotels/restaurants |
| | |

| Complexity category | Business sector |
|-----------------------------|--|
| Low | hotels/restaurants |
| Overview: Environmental | wood and wooden products excluding manufacturing of boards, treatment and |
| aspects with low nature | impregnation of wood |
| and gravity (typically | paper products excluding printing, pulping and paper making |
| organizations of an | rubber and plastic injection moulding, forming and assembly – excludes |
| assembly type | manufacturing of rubber and plastic raw materials which are part of chemicals |
| environment with few | hot and cold forming and metal fabrication excluding surface treatment and |
| significant aspects) | other chemical based treatments and primary production general mechanical engineering assembly excluding surface treatment and |
| | other chemical based treatments |
| | wholesale and retail |
| | electrical and electronic equipment assembly excluding manufacturing of bare |
| | printed circuit boards |
| | |
| Limited | corporate activities and management, HQ and management of holding |
| Overview: Environmental | companies |
| aspects with limited | transport and distribution - management services with no actual fleet to |
| nature and gravity | manage |
| (typically organizations of | telecommunications |
| an office type | general business services except commercial estate agency, estate |
| environment) | management, industrial cleaning, hygiene cleaning, dry cleaning education services |
| Special cases | nuclear |
| Overview: | nuclear electricity generation |
| These require additional | storage of large quantities of hazardous material |
| and unique consideration | public administration |
| at the audit planning | local authorities |
| stage | organizations with environmental sensitive products or services financial institutions |
